

Community Care Network

Rutland Mental Health Services & Rutland Community Programs

Community Care Network is looking for an Adult Clinician to join our team!

Community Care Network is comprised of Rutland Mental Health Services and Rutland Community Programs. Our mission is to enhance the well-being of our communities, individuals and families through a responsive, innovative and collaborative human service

About the Role:

The Adult Clinician provides screening, assessment, treatment planning, trauma-informed evidence-based treatment to individuals struggling with substance use and/or symptoms of mental health. This position utilizes best practices based on assessed needs and client's goals for treatment. Clinical services include both individual and group psychotherapy. Consistent individual supervision toward licensure is available weekly, in addition to a weekly group supervision structure. Both internal and external training is provided based on programmatic needs and individual interests. This position provides significant opportunities for growth, creativity, and exploration of professional interests.

Responsibilities:

- Provide individual psychotherapy that is evidence based, best practice, and individualized for the client.
- Facilitate access and referral for additional resources/supports.
- Facilitate psychotherapy groups as appropriate to program needs and as agreed upon with supervisor.
- Will assist in data collection as required or requested for state and local reporting needs.
- Will provide appropriate follow up, aftercare, referral, and discharge assistance.
- Assist clients with targeted, short-term, light case management needs as appropriate.
- Completion of clinical documentation per agency policy, insurance standards, and governing regulations in a timely manner.

Qualifications:

- Master's degree in a Human Services Field (Counseling, Psychology, Social Work, etc.)
- Licensed or License Eligible in the State of Vermont
- Willing to be Rostered as a non-licensed psychotherapist upon hire if not licensed in VT
- Previous experience providing services and support to adults with severe and persistent mental illness and/or substance use preferred.
- Must be client centered, trauma informed, and recovery oriented

- Excellent interpersonal skills
- Must have a valid driver's license, reliable transportation with personal automobile liability insurance coverage at or above the levels mandated by the State of Vermont.
- *Successful completion of a criminal history background check after hire.
