

An independent, family owned company since 1946
is accepting applications for

Propane Delivery Driver

Training is available.

Class B CDL with HazMat tanker & air brake endorsement preferred, but not necessary for
initial hiring.

Must be physically fit, have mechanical abilities,
able to work with a team or solo, deliver propane to customers on planned routes and have
excellent customer service skills.

We will help with credentials after hiring, if needed. Drivers will need to periodically work alone
in the Summer, depending on deliveries, checking tanks, washing and leveling tanks, assisting
other technicians on jobs, etc.

Wages commensurate with ability.

*Full time benefits include Health, Dental, Life Ins., 401K,
Vacations, Holiday & Personal days, discount propane.*
